Food-Grade Design

- **100% sealed 316L Status LEDs**

- **ECOLAB certified**

- **PACTware-configurable parameters**

- **stainless steel housing**

- **Switch point or analog outputs**

- **1200 psi washdown rating**

Food-Grade Design

Sensing Ranges

UME Thru-beam (18 mm Ø): 1 m

UMC Diffuse (30 mm Ø): 240 mm ... 3 m

Food-Grade Design

- **Designed for environments considered too contaminated for optic sensors**

- **Withstands harsh cleaning agents**

- **Product presence/absence**

- **Level control**
