

Low-Profile Level Control

- **Mounting flange for all 18 mm diameter, right angle ultrasonic sensors**
- **Sleek solution for space-restrictive areas**
- **Low profile reduces dead band by 10 mm**
- **Integral O-ring seal prevents contents from leaking**
- **Press-fit sensor installation**
- **Mounting hardware included**

Low-Profile Level Control

Sensing Ranges

UB300: 35 mm ... 300 mm

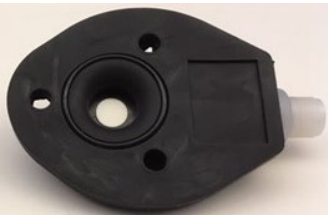

UB800: 50 mm ... 800 mm

UB1000: 70 mm ... 1 m

Low-Profile Level Control

- **Continuous or switch point level control**
- **Product presence/absence**
