

MLV41-LL Series

Fiber-Optic Sensors

- **Simple push lock fiber attachment**
- **Sensitivity adjustment and light ON/dark ON selection via potentiometer**
- **Automatic cross-talk protection**
- **Dual-position, enhanced diagnostic LEDs**
- **Low-temperature operation to -40 °F/C**
- **4-in-1 output reduces inventory**

MLV41-LL Series

Sensing ranges dependent on fiber optic cable

Diffuse

Thru-beam

MLV41-LL Series

- **Detect hot objects near furnace**
- **Detect registration mark on a web**
- **O-ring detection**
- **Fill level monitoring**
