

# PosiTrack WCS2B

## Read Head, Trolley & Track

- **Contact-free, absolute position feedback**
- **0.82 mm resolution**
- **Maximum immunity to dust and dirt  
(8X the burn-through power of the WCS3B)**
- **Trolley and track system allows maximum  
misalignment tolerance**
- **1 millisecond response time**
- **Integral RS485 and SSI protocols**

# PosiTrack WCS2B

## Read Head, Trolley & Track

- **Control interfaces for DeviceNet, EtherNet/IP, PROFIBUS, and parallel/binary**
- **Continuous health checking**
- **Optional heater for moist or low temperature environments**
- **Utilizes WCS2 laminate or stainless steel coded rail**
- **Optional trolley-mounted brushes maintain a clean code rail**

# PosiTrack WCS2B

## Read Head, Trolley & Track

- **Overhead crane positioning and skew prevention**
- **Material handling**
- **Anodizing and galvanizing**
- **Foundries**
