

R101 Series

- **Multi Pixel Technology (MPT) provides reliable object detection, regardless of color**
- **Quasi-measurement versions with MPT feature dual discrete 4-in-1 outputs**
- **Wide temperature range from -40 °C ... +60 °C**
- **Available PowerBeam LED and DuraBeam laser light sources**
- **IO-Link integrated into every sensor**

R101 Series

Sensing Ranges

R101 Series

- **Presence detection**
- **Height monitoring**
- **Leading edge detection**
- **Clear object detection**
- **Distance measurement**
- **Positioning**
- **Gap monitoring**
