

T-Series Encoder

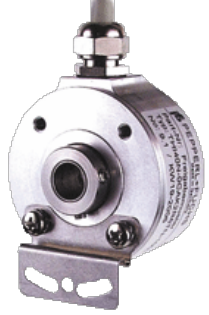

- **Lower-cost option**
- **Various mounting options available**
- **Tangential cable outlet – for tight mounting spaces**
- **Small 40 mm housing available**

T-Series Encoder

- **Incremental encoders**
- **Operating voltage range 4.75 to 30 VDC**
- **Push-pull and RS422 line driver output**
- **Stainless steel shaft**
- **Metal pulse disk – for increased durability**

T-Series Encoder

- **Wind turbines**
- **Automotive**
- **Packaging machines**
- **Manufacturing machines**
- **Print and paper**
