VL18LL Series

Fiber-optic Sensors

- **Rugged 18 mm metal fiber-optic sensor**

- **Automatic cross-talk protection**

- **4-in-1 output reduces inventory**

- **Sensitivity adjustment and light ON/dark ON selection via potentiometer**

- **Enhanced diagnostic LEDs indicate weak signal, short circuit, and overloads**

- **Wide selection of fiber-optic cables**

VL18LL Series

Sensing ranges dependent on fiber optic cable

Diffuse

Thru-beam

VL18LL Series

- **Feeder bowl part detection and counting**

- **Detect tablets in blister packaging**

- **Small part detection**

- **Error proofing**
