Dual Position Sensors

- **Universal compatibility**

- **Highly visible target indication**

- **Variety of housing and mounting options**

- **Weatherproof housing for outdoor applications**

- **Extended sensing range**

FEATURES & BENEFITS   TECHNICAL DATA   APPLICATIONS

Dual Position Sensors

	F25	F31	F31K2
2-wire DC low current output	●		●
3-wire DC output	●	●	●
Activator target BT43-RG-01	●		
Activator target BT65A		●	
IP67 protection	●	●	●
IP69K protection			●
1/2" NPT conduit entrance			●
-40 °C temperature rating			●
Separate activator available	●	●	●
Activator target BT65-F31K2-RG-EN			●
Terminals		●	●

Dual Position Sensors

- **Oil and gas industry**

- **Chemical and petrochemical industry**

- **Offshore and marine**

- **Water treatment and wastewater industry**

- **Pulp and paper industry**

- **Automotive industry**
